A close-up photograph of a metal safe door. The door is dark and shows signs of age and wear, including rust and discoloration. On the left side, there is a dark, textured handle. To the right of the handle, a metal plate is attached to the door. The plate has the number "4511 265" stamped on it. There is also a small circular hole on the plate. The lighting is dramatic, with strong highlights and shadows.
