Overview and Technical Data:

Used Niles Simmons N 30 - 1.500 CNC Lathe for Sale

NILES-SIMMONS

C H E M N I T Z

Year of Build:
Jan 2004

Description:

Used Niles Simmons N 30 - 1,500 CNC lathe for sale - high precision and reliability

Are you looking for a powerful used CNC lathe to expand your production capabilities? The 2004 Niles Simmons N 30 - 1,500 is now for sale! This machine was previously used at Volkswagen (VW) Salzgitter and provided first-class maintenance and operational excellence.

Technical specifications:

- Nominal length: 1,500 mm
- Maximum clamping length: 800 mm
- Swing diameter: 780 mm
- Machine weight: Approx. 18 tons
- Power supply: 400V, 50Hz, 138kVA

Key Features:

- **CNC control:** Equipped with Siemens Sinumerik 840D for precise and efficient machining.
- **Tool turret:** Features 2 12-position tool turrets for versatile applications.
- **Tailstock:** Includes a hydraulic tailstock for increased stability.
- **Rapid traverse:** Achieves speeds of 30 m/min (longitudinal) and 18 m/min (transverse).
- **Spindle power:** Delivers 2 x 64/78 kW at 3,000 rpm for heavy-duty tasks.
- **Coolant and chip management:** Integrated coolant system and chip conveyor for smooth operation.

Why choose this machine?

- **Proven reliability:** Used in a high-demand environment at VW Salzgitter, ensuring durability and performance.
- **Cost-effective:** Save significantly compared to buying new equipment.
- **Immediate availability:** Ready for inspection and delivery.

Ideal for:

- Automotive manufacturing
- Heavy engineering
- Machining of aerospace components
- General industrial applications

Why this machine?

1. Precision lathes used for demanding applications in automotive, mechanical engineering and the aerospace industry.
2. Cost efficiency: Significantly cheaper than buying new machines.
3. Availability: Ready for viewing and delivery - ideal if you want to buy a CNC lathe quickly.
4. Trust: From a leading manufacturer known for quality and reliability.

Ideal for:

- Automotive industry
- Heavy industry
- Aerospace
- General industrial applications

Rely on an experienced partner in the industrial CNC machine trade to purchase this high-quality lathe. Benefit from tested quality and first-class performance with a used lathe Germany!

Upgrade your production line with this high-quality used Niles Simmons N 30 - 1,500 CNC lathe at a fraction of the cost of new machines!

Technical Data:**Technical Data:**

Control:
